
Triple Crown Sports Lodging Program

Triple Crown Sports now works with a wide variety of lodging partners in our tournament locations to secure excellent lodging rates for all participants and to ensure sufficient rooms for all attending teams. Through our lodging program, all out-of-town teams now book their rooms through Triple Crown Sports and receive specially discounted rates at a variety of hotels and condos.

You can book your rooms online through the Triple Crown website or by calling the Triple Crown offices. Our lodging associates will assist you with a wide variety of rooms available – we will be happy to assist you in choosing the lodging choice that is right for your team and families.

Please note that teams will be bracketed into the tournament only after their lodging is secured through the Triple Crown Sports on-line booking system.

Important: All lodging reservations booked through the Triple Crown online booking system or through our lodging department are **SUBJECT TO THE CANCELLATION POLICY** as outlined by the hotel/lodging partner on the right portion of the TCS booking engine page. It will be in **RED FONT**. This information can also be found on the **CUSTOMER RECEIPT** and **CHECK-IN VOUCHER** distributed by the online system to the e-mail address input by the customer at the time of reservation. Please pay special attention to this policy. Triple Crown Sports, Inc. is not responsible for any cancellations or for any acts by the lodging partners providing accommodations. The lodging partners are not agents or employees of Triple Crown Sports, Inc. Thank you for your cooperation.

Local Teams

Teams within a 100-mile drive radius will receive a WAIVER on the lodging policy.

Alternative Lodging Requests

If your team chooses to request to stay outside the Triple Crown Lodging Program (for example, to stay at an RV park, with nearby relatives, etc.) please contact the Triple Crown Lodging Department with your alternative lodging request. *Because the lodging program has already been discounted into tournament fees, out-of-town teams that request for alternative lodging will incur a lodging surcharge of \$200.*

How to Arrange Your Team's Lodging

Securing your team's lodging is a 2-step process:

Step 1: Set up a block hold for the rooms your team will need

- Click the **Team Lodging/Hotels** link, then scroll down to view hotels
- Once you've chosen a hotel, click **Room Rates**, then click **Hold Rooms**
- Fill in the requested information.
 - Please be sure to include your team's full name when you're asked for your **group, team or party** to avoid any possible confusion between teams with similar names or hometowns
- Click **Place Rooms on Hold** at the bottom of the screen
- You will receive a **team block hold** e-mail with a live link and complete instructions to help your team members and parents book their individual rooms from your block hold. Please forward this email to your team members and/or parents.

Step 2: Book rooms from your held block

- Click the [Book Rooms Held for TEAM on-line](#) link, then scroll down to the drop down menus
- Select your **arrival date, number of nights, and number of rooms, click BOOK ROOM**
- Fill in your customer information. ***You will be asked to select your team name from the drop-down box.***
 - You must be registered for the event for your team name to appear; if you are registered but your team name does not appear, please contact Alyson@TripleCrownSports.com
 - **IMPORTANT:** Participants must book their rooms within 7 days of the block hold; after 7 days the hold will expire and all rooms not booked will be released into inventory for sale to other teams.

Cancelledations

In the event of any room/lodging cancellation, please use the CANCEL RESERVATION link provided in the guest receipt you received by e-mail when making your reservation or notify the Triple Crown Lodging Department at 970-672-0540 [to obtain a cancellation number](#). *If a cancellation number cannot be provided, the Triple Crown customer will be responsible for the room charges.*
