

2009 Triple Crown Sports World Series Lodging Policy

Attention all Teams and Event Participants **Lodging Policy for 2009 World Series**

This new policy will improve the overall experience and quality of the event by helping secure a variety of lodging partners which will be able to offer competitive rates for the teams and participants and help to insure that there will be enough hotel inventory for teams attending.

To participate in the Triple Crown World Series **your team must stay with a Triple Crown Sports preferred lodging partner. (Minimum 6 hotel rooms or a total of 6 bedrooms in condo properties for 5 nights at a preferred lodging partner) This is waived for local teams. Teams will not be bracketed into the tournament without booking lodging through the Triple Crown Sports (TCS) Lodging Department.**

Teams that are registered for the event that do not meet the above requirements will not be eligible to participate and will not be scheduled into the event. *If you are requesting an exception to this policy, you may call the TCS Lodging Department for approval of alternative lodging request (i.e. RV park, own a house in area, staying with relatives or family). Once approved for alternative lodging your team will be charged a lodging surcharge of \$500. (Local teams in a 1 hour drive radius will not be charged.)*
